

LETTER OF RECOMMENDATION

Date: 30-July-2026

To Whom It May Concern,

I am pleased to recommend **Mr. Anshuman Singh Tomar**, who worked with **Tyria India Private Limited** as a **Full Stack AI Engineer Intern**, commencing on **08 May 2026**.

During his internship, Anshuman gained practical exposure to software development, Artificial Intelligence, product engineering, and technology operations. His responsibilities included **coding, feature development, AI model integration, prompt engineering, workflow automation, LLM-based feature implementation, product research, testing, debugging, documentation, and deployment**.

Anshuman demonstrated a strong willingness to learn and enhance his technical capabilities. He approached new technical requirements with adaptability and showed genuine interest in applying AI and software engineering concepts in practical product development.

Throughout his internship, he demonstrated professionalism, discipline, dedication, and a positive attitude toward learning and completing assigned responsibilities. His technical interests and commitment to continuous improvement make him a promising technology professional.

I am pleased to recommend **Anshuman Singh Tomar** for opportunities in **Software Engineering, Full Stack Development, Artificial Intelligence, Machine Learning, and related technology fields**.

I wish him continued success in his academic and professional endeavors.

Sincerely,

Ashish Kishore
Director of Engineering
